

To the doctor**Pension scheme**

Due to the size of the overall risk relating to the pension scheme that the customer wants to establish with us, we kindly ask you to fill in the enclosed certificates.

Please also send us the results of the following tests:

Chest x-ray (alternatively pulmonary function test)

Blood tests:

Cholesterol (HDL, LDL, Total-cholesterol and Triglyceride)

GGT

ALAT

S – Creatinine

HbA1c

CRP (C – reactive protein)

HIV antibody test (HIV – Antibody test declaration enclosed)

All tests must be new and include reference values, and we kindly ask you to send them to us within three weeks of performing the tests. We will pay the test fees.

Kind regards,

To the applicant:

- You must contact your general practitioner or attending medical specialist and ask him/her to fill in this certificate. Please remember to tell your doctor that he/she must fill in FP 100.
- You must read the answers and sign the certificate to confirm that all health information has been covered. You are responsible for ensuring that the certificate is filled in correctly.
- Please note that if the answers are not truthful, or information has been withheld, the insurance cover may be reduced or cancelled pursuant to the Danish Insurance Contracts Act (Forsikringsaftaleloven).

To the doctor:

- In Section II of this document, please answer the questions having the latest 10 years from today in mind.
- The certificate is a general certificate, and you should therefore answer all questions.
- When you complete this document, the company wants you to pay special attention to:

Section I: Information to be provided by the doctor

1	a. Are you the applicant's usual general practitioner?	NO	YES	If yes , since when? (month/year)
		<input type="checkbox"/>	<input type="checkbox"/>	
	b. Do you know the applicant?	<input type="checkbox"/>	<input type="checkbox"/>	If NO , how have you established the applicant's identity?

Section II: Doctor's questions to the applicant with patient records

1. Ask the patient about previous and existing illnesses, tests, treatments, consumption of medicine, alcohol, tobacco and stimulants. Please enclose relevant patient records, such as doctor's certificates, discharge summaries and laboratory test results.
2. Please note that the following information cannot be submitted to the company:
 - Information about other persons' (for example relatives') present or former states of health.
 - Information about the result of genetic tests carried out to clarify the insurance applicant's future risk of contracting certain diseases (predictive genetic tests).
 - Information about participation in and the result of preventive examinations. However, the result of such examination is to be stated if they reveal present signs of disease, or if they concern diseases earlier contracted by the insurance applicant, or if the outbreak of disease has already taken place.
3. Please be aware of the consequences for the patient if you fail to provide adequate information as stated in the Danish Insurance Contracts Act (see above).

For questions 1A-1N, please specify the diagnosis, symptom start, time and date of diagnosis, progress and current symptoms within the last 10 years. Please enclose supplementary patient records, including the results of paraclinical tests.

This certificate forms part of the agreement between the Danish Insurance Association and the Danish Medical Association regarding certificates, health details etc.

It has been agreed between the Danish Insurance Association and the Danish Medical Association that this certificate can be completed by anyone with a medical background.

To the applicant

In connection with your application for personal insurance, we require supplementary health information from you. Please contact a doctor with a view to performing blood tests and filling in this certificate.

To the examining doctor

In connection with the above insurance application, we require an HIV antibody test to be performed. This is done by taking a blood sample and sending it to Statens Serum Institut or another laboratory along with the form 'ANTIBODIES IN CASE OF INFECTIOUS DISEASES'. Please write the name of the insurance company in the box 'Sender' under the certificate-issuing doctor's name and address.

The insurance company will reimburse the cost of the HIV test according to forwarded invoice - please remember to state the name and civil registration number of the person tested. Upon receipt of the test results, Serum Institut's reply must be indicated below. If a new sample is required, the doctor should perform a new blood test and write the test result on the certificate. The certificate may not be forwarded to the insurance company without the applicant's acceptance (see declaration 4 below).
